GREAT HARVEST OFFERS FREE KIDS' TOURS

That's right. We offer free tours for kids' groups of 10 or more.

The tours last about 45 minutes to an hour. We talk about bread baking, nutrition and even a little bit of history. They're great fun.

Call us at 770-622-0222 or send us an e-mail at reboland@greatharvest.com

TAKE US WITH YOU ON VACATION

If you won't take "us" with you on vacation, at least take some Great Harvest Bread. Share it with your family and friends on the trip. They'll love you for it.

Also, don't forget our annual "Where in the world are our customers?" summer promotion. Send us a post card from whatever fun place you happen to be this summer. We'll post it in the bakery and give you a free loaf of Honey Whole Wheat bread when you get back.

HONEY WHOLE WHEAT

Our Signature Bread

Honey Whole Wheat is the bread that started it all. And it's still our most popular bread. This wondrous loaf is made with just 5 ingredients; 100% whole grain wheat that we grind daily right here in the bakery using our Swedish mill, real bee honey from South Georgia, live yeast, water and salt. That's it.

Not only does this special bread taste better than any wheat bread you'll find anywhere, it's also as healthy as it gets. The fresh ground grain and real honey provide dozens of vitamins, nutrients and fiber that help you stay healthy naturally.

We also buy our wheat grain from small farmers in Montana. So, Honey Wheat is tasty, healthy and patriotic.

SUMMER SWIM TEAM

*This summer, we teamed up with a couple of local swim teams to help them **raise money** for their programs. Specifically, we offered our sandwich boxes to the teams **at cost**, which they in turn sold at their concession stands. Parents loved having a **healthy and tasty food choice** at the meets. If your swim team or other sports team is interested, give us a call at the bakery. Thanks to the our neighbors at Medlock Bridge, & Olde Atlanta Club for taking the plunge with us this summer.*
